About SELCO Foundation:

SELCO Foundation’s mission is to create a platform of solutions that uses sustainable energy as a catalyst to bridge environmental sustainability and poverty alleviation. With holistic development as the primary focus, the organization strives to create equitable societies, where services are accessed by all communities. The interventions of SELCO lead to a sustainable delivery model of essential services like livelihoods, education, and health till the last mile. (Read more about SELCO here: http://www.selcofoundation.org/)

1. Summary of the project:

SELCO Foundation is engaged in exploring NTFPs & Spice Value chain this year and is committed to developing sustainable energy-driven technology solutions. Our objective is to enhance localized processing, diversify incomes, and mitigate the challenges faced across the NTFP and Spice value chain. We have focused on identifying technologies that cater to the needs of small and marginal farmers/ forest dwellers, native entrepreneurs, Farmer Producer Organizations (FPOs), Farmer Producer Companies (FPCs), Self-Help Groups (SHGs), and other stakeholders.

Currently, SELCO Foundation is exploring Non-Timber Forest Products (NTFP’s) and Spices, and seeks to develop sustainable energy driven technology solutions to improve localized processing, diversify farm incomes, and reduce drudgery across the NTFPs & Spices value chain. We are specifically looking at technologies that bring value for small - marginal farmers, native entrepreneurs, FPOs, FPCs, SHG, and other stakeholders.

Technology interventions that lead to better utilization, processing and value addition of NTFPs & Spices and consequently expand opportunities to not only improve income of forest-dependent resource gatherers but also contribute to the national economy through expansion of value-added
NTFPs & Spices; is the envisioned outcome of this study. This study is aimed at understanding the possibilities of increasing returns from NTFPs & Spices through transformative and sustainable technologies and innovations that yield economically viable products and empower those who adopt them.

2. **Aim and Goals**

The aim of this study is to explore the potential integration of Decentralized Renewable Energy (DRE) driven technologies by examining the technology gaps and opportunities within the Non-Timber Forest Products (NTFP) & Spice value chain across Mizoram, Meghalaya, & Assam. We seek the guidance of a subject matter/sectoral expert to lead this research.

This study will focus on analyzing real-world examples of sustainable and viable NTFP and spice value chains, with a particular emphasis on end-user centric approaches. By identifying ground-level problem statements, we aim to find out the opportunities for the adoption of DRE driven technology. Ultimately, our goal is to effectively enhance the community's sustainable income through the implementation of these technologies at the gaps identified, for solving the problems of end-users.

To identify and prioritize economically viable NTFP and spice commodities, understand the potential for technology innovation, and integrate Solar Energy solutions across all nodal points of the selected value chains

3. **Objectives**

This ecosystem landscape study seeks to gain a comprehensive and contextual understanding of the Spice and NTFP sector to identify and address specific problem statements or challenges, identify commodities and select nodal points with the potential for DRE driven technology interventions in the northeastern regions of Assam, Meghalaya and Mizoram. It intends to derive the scope for technology innovation specific to priority commodities in the Spice value chain. This is aimed at enabling access to sustainable, reliable and affordable local infrastructure to the community needs that yield economically viable products and empower those who adopt them, primarily producer and aggregator groups. This ELS will set the foundation for both Stage 1 innovation and stage 2 scale for the spice and NTFP sector.

- Understand current scenario in production/Collection, productivity, and processing of priority NTFP & spice value chains in Meghalaya, Mizoram & Assam
- Map stakeholders (Govt/CBOs/NGOs/MFIs/FIs), their ongoing interventions aligned with NTFP & spice value chains as priority areas.
- Enlisting priority NTFP and spice value chains and analyse utilisation pattern to estimate demand and potential impact of DRE driven technologies across all nodal point
- Map synergies with government and FI programmes / schemes for strengthening the sectors and livelihoods within the value chains in Meghalaya, Mizoram & Assam.
4. **Scope of Work**

- **Enumerator recruitment and data collection training**: The local data collection firm will identify and recruit data collectors (firm will identify total number needed based on data collection caseload described in this ToR) who will be responsible for collecting the quantitative data for this study.

- **Determine an appropriate sample size** for data collection, with a minimum of 40 respondents per value chain per state, ensuring representativeness and statistical validity. Develop a robust sampling strategy in consultation with key stakeholders.

- **Carry out field data collection activities**, including surveys, interviews, and observations to gather primary data on NTFP and spice value chains, production patterns, market dynamics, challenges, and opportunities.

- **Data entry and cleaning**: The local data collection firm is responsible for entering all data collected under this evaluation. This includes double-entry of all survey data. (Unless a digital data collection tool like Kobo is used). Daily data-quality checks are required. Survey data must be entered in Excel files. The data collection firm will be responsible for developing data entry templates.

5. **Sample Size: Tentative**

   (*subjected to changes based on subject matter expertise*)
   - Mizoram: 10 Districts | 100 Respondents [10x10]
   - Assam: 10 Districts | 100 Respondents [10x10]

6. **Requirement:**

   - Proven experience in large-scale data collection and field research projects in natural resource management, forestry, and value chain studies.
   - Technical expertise in NTFP/spice value chains, sampling methodologies, data collection tools, and quantitative/qualitative analysis.
   - Proficiency in local languages and cultural sensitivity to work with indigenous communities and stakeholders in Assam and Mizoram
   - Robust data management protocols, quality assurance measures, and data security practices.
   - Local knowledge, partnerships with research institutions, NGOs, community-based organizations, and government agencies.
   - Access to necessary equipment, tools, and resources for field data collection and analysis.

7. **Timelines:**

   2 months of project to support the regional team, The Agency / Consultant will be required to travel in multiple geographies for the work.
8. **Selection Criteria:**
The proposal will be evaluated based on the following general areas:

- Agency / Consultant will be evaluated on the basis of prior work experience in data collection and field research, portfolio, and wide experience in NTFP and Spice sector
- Agency / Consultant to understand the core value and mission of the organization, Selco Foundation
- Agency / Consultant to understand the aims and objectives of the Ecosystem landscape study and Scoping natural resource management, forestry, and value chain studies.
- Agency / Consultant should have a technical expertise team with relevant experience
- Agency / Consultant to have prior knowledge of working with the NGOs
- The financial proposal will be evaluated based on methodology, approach, milestones and budget & work plan, prior work experience, cost, and proposed payment terms.

9. **Payment Terms:**
Fixed as per the agreement between consultant and SELCO Foundation. Please provide your proposal and quotation for the above-mentioned program requirements. Capture Timelines and Split cost wherever possible.

10. **To apply**
Interested consultants / organisations, with relevant experience (please include samples and/or references of the previous similar work as proof of experience) and based out of India are requested to reach out with a detailed proposal giving a brief on the methodology and the process they will uptake for this project, including budgets (with break-ups and explanation), timelines and milestones and submit the same to google form [https://forms.gle/agDi1qLWhjqcdpY18](https://forms.gle/agDi1qLWhjqcdpY18) on before **05th June, 2024**.

Any further queries please write to procurement@selcofoundation.org with a subject line: “Central Lead - Subject Matter Expert in Mizoram, Meghalaya & Assam” (Name of Project)

**Refer Terms and Condition:**

1. **Sub-contracting:** In the event that the Consultant requires the services of subcontractors to perform any obligations under the Contract, the Consultant shall obtain the prior written approval of the Foundation. Any rejection or non-performance of the subcontractor shall not, in and of itself, entitle the Consultant to claim any delays in the performance, or to assert any excuses for the non-performance, of any of its obligations under the Contract, and the Consultant shall be solely responsible for all services, obligations and deliverables performed by its subcontractors

2. **Quality Assurance**
The data submitted to Selco Foundation should be accurate, complete, reliable and relevant. Consulting agency shall establish additional layers for data cleaning and submission.
3. Financials & Reporting
TDS will be deducted on the fixed amount as per Income Tax Act and Rate of Percentage. In accordance with the Central Board of Direct Taxes circular No. 7 of 2022 dated 30th March, 2022 in relation to the clarifications with respect to Section 114AAA of the Income-tax Rules, 1962, failure to link Aadhar number to the PAN card and/or failure by any person, who falls within the income tax bracket or otherwise, to file tax returns in relation to payment of TDS for any service (in accordance with Section 206AB and 206AA) and/or an inoperative PAN card will result in a 20% tax deduction.

4. Indemnification
Both parties shall indemnify and hold its Trustees, Directors and representative officers, employees, agents harmless from and against any and all claims, demands, actions, losses, liabilities, charges, damages, costs and expenses (including but not limited to reasonable attorney’s fees) arising out of or resulting from (1) any claims arising in connection with activities undertaken by both parties in connection with the project or (2) Consultant's gross negligence or willful misconduct or breach of any undertaking, covenant, representation or warranty contained in this agreement and/or the actual infringement of any patent, trademark, copyrights, trade secret or any other intellectual property right of the third party.

5. Patent, Copyright and other Proprietary Rights
(i) Except as is otherwise expressly provided in writing in the Contract, the Foundation shall be entitled to all intellectual property and other proprietary rights including, but not limited to, patents, copyrights, and trademarks, with regard to products, processes, inventions, ideas, know-how, or documents and other materials which the Consultant has developed for the Foundation under the Contract and which bear a direct relation to or are produced or prepared or collected in consequence of, or during the course of, the performance of the Contract. The Contractor acknowledges and agrees that such products, documents and other materials constitute works made for hire for the Foundation.

(ii) Subject to the foregoing provisions, all documents, reports, recommendations, documents, and all other data compiled by or received by the Consultant under the Contract shall be the property of the Foundation, shall be made available for use or inspection by the Foundation at reasonable times and in reasonable places, shall be treated as confidential, and shall be delivered only to the Foundation’s authorized officials on completion of work under the Contract.

(iii) The Consultant will treat all information given to him/her as information with proprietary value and will not disclose the same to competitors or any outsiders. The Consultant will not at any time, except under legal process, divulge any trade or business secret relating to the Foundation or any customer or agent of the Foundation, which may become known to him by virtue of his position as consultant, save in so far as such disclosure shall be necessary in the interest and for the benefit of the said Foundation and will be true and faithful to the Foundation in all dealings and transactions whatsoever relating to the said Foundation.

(iv) Reports or other data that are developed specifically for the performance of this Contract shall be the property of the Foundation and the Consultant shall deliver reports and data to the Foundation as per the milestones. Dissemination of the reports
and any information from the said contracts shall be done with written approval from the Foundation.

6. **Publicity, use of name & Logo of the Foundation:** The Consultant shall not advertise or otherwise make public for purposes of commercial advantage or goodwill that it has a contractual relationship with the Foundation, nor shall the Consultant, in any manner whatsoever use the name, emblem, logo or official seal of the Foundation or that of SELCO in connection with its business or otherwise without the written permission of the Foundation.

7. **Observance of Law:**
   
   (i) The Consultant shall comply with all laws, ordinances, rules, and regulations bearing upon the performance of its obligations under the Contract.
   
   (ii) The Consultant represents and warrants that neither it, its parent entities, partners or subcontractors nor any of its subsidiary or affiliated entities (if any) is engaged in any practice inconsistent with the rights set forth in the **Child Labour (Prohibition and Regulation) Act of 1986**, which, *inter alia*, requires that a child shall be protected from performing any work that is likely to be hazardous or to interfere with the child’s education, or to be harmful to the child’s health or physical, mental, spiritual, moral, or social development.
   
   (iii) The Consultant represents and warrants that it shall adhere to the mandates prescribed under the **Sexual Harassment of Women (Prevention, Prohibition & Redressal) Act, 2013**, which requires all workplaces to have a Policy and Internal Committee to address complaints of sexual harassment that women may face at the workplace.

8. **Termination:**

   Either party may terminate this contract by giving a notice in writing to the other party stating their intention to terminate the same on the expiration of Seven (7) days from the date of such notice. In addition, the Foundation may also terminate this contract forthwith in the event of any fraud, misconduct or neglect of duties on the part of the Consultant. Any notice to be given hereunder shall be sufficiently given to the Consultant if forwarded by registered post or by Courier Service to the last known postal address of the Consultant and shall be sufficiently given to the Foundation if similarly forwarded to the registered office. Upon the termination of this contract and payment of the said fees due up to such termination, and payment of all disbursements and out-of-pocket expenses incurred up to the date thereof (provided the same have been incurred after obtaining prior approval), the Consultant shall deliver all deeds, documents and paper in his possession relating to the business of the Foundation or as the Foundation shall direct, and shall continue to afford him all reasonable assistance for concluding pending matters at the date of such termination without making any charge thereof.

9. **Force Majeure:**

   (i) **Force majeure** as used herein means any unforeseeable and irresistible act of nature, any act of war (whether declared or not), invasion, revolution, insurrection, terrorism, or any other acts of a similar nature or force, *provided that* such acts arise from causes beyond the control and without the fault or negligence of the Consultant.
(ii) In the event of and as soon as possible after the occurrence of any cause constituting \textit{force majeure}, the affected Party shall give notice and full particulars in writing to the other Party, of such occurrence or cause if the affected Party is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under the Contract. The affected Party shall also notify the other Party of any other changes in condition or the occurrence of any event which interferes or threatens to interfere with its performance of the Contract. Not more than fifteen (15) days following the provision of such notice of \textit{force majeure} or other changes in condition or occurrence, the affected Party shall also submit a statement to the other Party of estimated expenditures that will likely be incurred for the duration of the change in condition or the event of \textit{force majeure}.

(iii) On receipt of the notice or notices required hereunder, the Party not affected by the occurrence of a cause constituting \textit{force majeure} shall take such action as it reasonably considers to be appropriate or necessary in the circumstances, including the granting to the affected Party of a reasonable extension of time in which to perform any obligations under the Contract.

(iv) If the Consultant is rendered unable, wholly or in part, by reason of \textit{force majeure} to perform its obligations and meet its responsibilities under the Contract, the Foundation shall have the right to suspend or terminate the Contract on the same terms and conditions as are provided for in this Contract.

10. Both the Foundation and the Consultant fully and freely intend to create an independent Contractor relationship under this Contract. Nothing herein shall be deemed to establish a partnership, joint venture, association or employment relationship between the parties. Both parties agree that the consultant has the right to sole and exclusive control over the manner and means employed in performing their activities under this Contract.

11. \textbf{Settlement of disputes:}

(i) The Parties shall use their best efforts to amicably settle any dispute, controversy, or claim arising out of the Contract or the breach, termination, or invalidity thereof.

Any dispute, controversy, or claim between the Parties arising out of the Contract or the breach, termination, or invalidity thereof, unless settled amicably, within sixty (60) days after receipt by one Party of the other Party’s written request for such amicable settlement, the matter shall be referred by either Party to arbitration in accordance with the Arbitration and Conciliation Act, 1996. The venue of the arbitration shall be at Bangalore. Likewise, the jurisdiction will vest with courts in Bangalore.
